8.6 Bootstrap CSS Forms

8.6.1 Basic Form Structure

A basic form structure consisting of two input fields: 'Email address' containing 'name@example.com' and 'Password'. Below the fields is a blue 'Submit' button.

8.6.2 Form Layouts

A form layout featuring two input fields: 'Email address' with 'name@example.com' and 'Password'. A blue 'Submit' button is positioned below the fields.

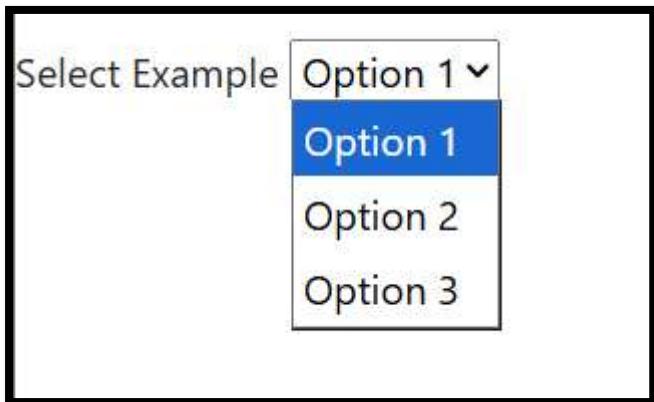

8.6.3 Inline Forms

An inline form with a single input field labeled 'Search' and a green 'Search' button to its right.

8.6.4 Form Controls

A form control example showing a text area labeled 'Example Textarea' with some placeholder text.

8.6.5 Select Menus

8.6.6 Form Validation

Email address

name@example.com

Password

Submit

8.6.7 Checkboxes and Radios

Check me out

Option 1

Option 2

8.6.8 Input Groups

@

Username

8.6.7 Floating Labels

A screenshot of a web form showing two input fields. The first field contains the text "name@example.com" and has the label "Email address" positioned directly below it. Both the input field and the label are enclosed in a light gray box.

8.6.10 Disabled and Readonly Inputs

A screenshot of a web form showing two input fields. The top field is labeled "Disabled input" and the bottom field is labeled "Readonly input". Both fields are currently empty. The "Readonly input" field has a blue border around its input area.

8.6.11 Example Forms

A screenshot of a web browser displaying a login form. The form includes fields for "Email address" (containing "maryabinfoath@gmail.com") and "Password", a checkbox for "Remember me" (which is checked), and a blue "Submit" button.

8.7 Using Bootstrap Theme

Lab Exercise 8
